## Machine Quilting the Appliqué Quilt

### Supply List

- Sewing Machine- bring instruction manual, extension bar or table and all accessories.
- **Important reminder- bring foot pedal and power cord for your machine!**
- Darning Foot- a must for free motion quilting (Sue prefers an open toe darning foot)
- Straight Stitch Throat Plate- optional, bring if you have one
- Four 12" squares muslin
- Three 12" squares cotton or cotton blend batting
- **Prepare before coming to class two 12" square appliqué blocks on a light background using the [Double Rose pattern](#) and [Tulip & Heart pattern](#). \*\*Use your favorite appliqué technique.**
- 25 safety pins (I use size 0 or 1)
- Sewing machine needles- 80/12 and 70/10 microtex sharp or machine quilting
- Cotton thread- in colors to match background and appliqué, I use Mettler 50/3 and Aurifil 50/2 or Masterpiece by Superior Threads 50/2. King Tut Tone on Tones by Sue Nickels 40/3 can be used for decorative touches in places.
- Marking Pencil- I use Quilters Choice, silver
- Ruler- for marking straight lines
- Rubber Gloves- kitchen dishwashing gloves, one size smaller than you wear for dishwashing
- Basic sewing supplies- scissors or snips, bobbins, etc.
- Extension cord, extra light and cushion for height

Patterns: [Double Rose](#) • [Tulip & Heart](#)

Students can also bring appliqué quilt tops for discussion on how to quilt them.  
\*\*Sue's book [Machine Applique: A Sampler of Techniques](#) has 3 easy appliqué techniques to choose from for stitching your blocks.

*I emailed Sue Nickels the following questions for the class:*

Are these blocks to be competed and brought to the class ?

Yes, they need to ready to use for the workshop- they can be as simple as fusing them to the background- or they can machine or hand stitched..

If a participant chooses to bring another applique block instead, is that acceptable ?

As long as there are two blocks and they are similar size to the patterns of mine, with space to practice quilting...
