

Eastern Long Island Quilters' Guild, Inc. Membership Form

Dear New Member,

It's that time of year again! We're coming to the end of 2008 and looking forward to 2009. This year was a great one for our membership with all the lectures and fantastic workshops that were scheduled. I hope you had the opportunity to attend many of them. The annual quilt show was a wonderful display of the talent in our guild.

Next year will be just as busy and exciting. Sandee has a great line up of lectures and workshops for us to enjoy and learn from. Please make sure you renew your membership by the February meeting so you are included on the membership list. Bring to the November or December meetings OR drop it in the mail.

*Keep quilting,
Barbara Arnold*
